

May 10, 1977

LR 95
LB 549, 550, 532

SENATOR F. LEWIS: Record.

CLERK: 35 ayes, 1 nay.

SENATOR F. LEWIS: Senator Marvel.

SENATOR MARVEL: I have a motion up there now to ask that the rules be suspended and the bills be placed on General File so that they can be debated.

SENATOR F. LEWIS: As soon as the Clerk reads the titles, we will take that motion up.

SENATOR MARVEL: Okay.

SENATOR F. LEWIS: While the Clerk is doing that, Senator Warner, on your enunciations, I gave you a B-.

CLERK: Mr. President, new bills. LB 549, read title. LB 550, read title. Mr. President, I move to suspend rule 3, section 19 and place LB 549 and 550 directly on General File without action of the Reference Committee. Signed Senator Marvel.

SENATOR F. LEWIS: Senator Marvel.

SENATOR MARVEL: This is the same motion I made this morning due to the length of time. Especially the latter bill on Legislative Council has already had extensive debate and each of you have received a pamphlet or a book that indicates approximately where the money is going to go and I assume we will have additional debate once these bills are taken up on General File. So with those remarks, I renew my motion to suspend the rules.

SENATOR F. LEWIS: You have heard the question to suspend the rules for placing the bills on General File. All those in favor vote aye. Those opposed vote no. Record.

CLERK: 36 ayes, 0 nays on the motion to adopt. Mr. President, a communication from the Executive Office dated May 4th which arrived in my office today. Read. (See pages 1950 and 1960, Legislative Journal.) Mr. President, the Public Works Committee will meet under the North balcony immediately upon adjournment today. Mr. President, Legislative Resolution 95 will be inserted in the Journal and laid over. All right, now Mr. President, 532 again. Mr. President, the next amendment is offered by Senator Jerry Koch. It is found on page 1571 and it is identical to another amendment just like it that you withdrew and I assume that you wish to withdraw this one also.

SENATOR F. LEWIS: Senator Koch.

CLERK: This is one that says any money allocated....

SENATOR KOCH: I just withdrew that.

CLERK: Well, you gave us several copies of it. Mr. President, the next amendment is offered by Senator Koch. This has also been offered and withdrawn and now reoffered. It is found on page 1547 of the Journal. This is: Read.
